In our everyday lives, we all face situations that could require legal help if difficulties arise. A problem with your employer; an injury that is the result of someone else's negligence; a dispute over faulty goods or services; and the increasing threat of identity theft – these are all common issues that could require expert legal help to resolve.

If the worst did happen to you or a member of your family, would you be able to face the prospect of a daunting, time-consuming and expensive legal dispute alone?

Unfortunately, the legal aid system is now only available to a select few. The costs of seeking professional legal advice can prevent most people pursuing or defending their legal rights. DAS family classic is designed to provide expert legal help and assistance. Just as important, it offers the financial support to protect you and your family, so you won't have the worry of over stretching your resources.

FREE AND CONFIDENTIAL HELPLINES FOR SUPPORT WHEN YOU NEED IT MOST

It's impossible to predict the timing or nature of legal problems. That's why DAS family classic gives you access to telephone advice, information and assistance services.

Our family helpline provides access to our professional legal advice teams, staffed by solicitors and other legal advisors. You can consult them as often as you need about a personal legal issue.

Also, as the complexities of the tax system can prove a minefield for anyone, our confidential tax advice helpline can advise on any personal UK tax matter.

There is also a health and medical information service, providing useful non-diagnostic advice and information on general health issues. And there's a confidential counselling service that provides access to a qualified counsellor for all your family.

For more details, see the Key Facts section of this leaflet.

HOW DAS CAN HELP

UNFAIRLY DISMISSED FROM WORK

A policyholder contacted us claiming he had been unfairly dismissed from work. The reasons given for his dismissal were that he had refused to attend training courses and that he had no respect for his manager. Our policyholder claimed both these statements were untrue. He believed his dismissal was based solely on comments he had made when asked to speak openly and honestly about his manager at an appraisal meeting.

DAS appointed a lawyer to represent him at an Employment Tribunal. The tribunal found in favour of our policyholder who was awarded £19,000 in compensation. All the legal costs were met by his DAS family classic policy.

PREFERRED SOLICITORS

Often we can negotiate a full settlement of your claim outside the courts using an experienced solicitor of our choice. If this is not possible, and legal action through the courts is necessary, we advise that you continue to use our choice of solicitor.

We regularly audit the solicitors we use, and they are also regulated by their own governing bodies. We will choose a particular firm for its expertise in the relevant area of the law. This is why we always recommend that you use the firm we choose.

The lawyer appointed by DAS contacted the store, who finally accepted it was their fault and refitted the flooring correctly.
