Welcome to your Home Insurance

Thank you for taking out Select & Protect Home Insurance!

We want **you** to understand **your** home insurance policy and **we** therefore strongly recommend that **you** read this policy booklet along with **your** policy schedule, to make sure **you** understand what it covers and the limits that apply. Please contact **our** knowledgeable and friendly staff if **you** have any queries at any time during **your** relationship with Select & Protect - **you** will find **our** contact details on page 1 of this policy booklet.

This policy is divided into sections. Sections 3 to 12 describe options (areas of cover) which can be selected or deselected by **you**. There are a number of 'covers' within each of these options, showing the causes of damage against which, the policy provides cover (where the relevant option is selected by **you**).

So, for example, if **you** have **garden** related items at **your** home that are important to **you**, **you** can choose to protect these by selecting the **Garden** option with the appropriate level of cover to meet **your** circumstances. However, the choice is **yours** and **you** do not need to pay for this cover if **you** have no **garden** or just don't want this cover.

You can add or remove options from **your** policy, or change the level of cover under those options, at any time during **your insurance period** by using the contact details shown on page 1 of this policy booklet. **We** strongly recommend that **you** review **your** level of cover, at least annually.

All sections of the policy have limits defining the maximum that **you** can claim and these limits are shown in the relevant section. For your convenience, they are also summarised in Section 16 Policy Limits of this policy booklet.

It is very important that **you** have sufficient cover since being under insured could affect any settlement that **you** receive in the event of a claim. This applies at the start and throughout the period of cover, so for example, if **you** obtain additional items **you** must let **us** know so **we** can help ensure that you're properly covered (see 'Information and Changes **we** need to know about' from page 63).

Your policy is intended to cover **you** against unforeseen events like fire or theft occurring whilst **you** have this policy in force. There are some things that it does not cover, such as damage by frost, damp, insects or vermin, damage which happens gradually over a period of time (such as 'wear & tear' and rot) and damage which happened before the policy started.

Please also remember that it is important that **you** regularly maintain **your** property, keeping it in good condition and in good repair, taking reasonable care to prevent loss and damage. **You** will find more detail within this policy booklet.

Cover Areas

Each of the areas of cover described below is optional and is described in a section of this policy booklet, where **you** will see the extent of the cover and any limits that apply. The sections that **you** have selected will be shown in **your** policy schedule. If **you** have any questions, give **us** a call or send an e-mail and **we** will be pleased to help. Remember, **you** can change the sections covered under **your** policy to meet **your** evolving needs at any time by giving **us** a call.

Buildings (see Section 3)

Where this option is selected by **you**, **we** will cover the **Buildings** of **your** home and other permanent structures on **your** land such as garages and outbuildings, drives, walls, fences and gates against damage by fire, flood, subsidence and other causes described in Section 3.

You must select either this **Buildings** cover option or the Core-contents cover option, or both.

Core-Contents (see Section 5)

Where this option is selected, **we** will provide cover for defined 'Core-contents' against loss or damage by fire, flood, storm, theft, escape of water and other causes described in Section 5, whilst the items are in **your** home. Note that this option does not provide cover for items more specifically covered in other options, such as Personal Items, Technology & Entertainment Equipment or Pedal Cycles.

You must select either this Core-contents cover option or the **Buildings** cover option, or both.

Accidental Damage to Buildings (see Section 4) and Accidental Damage to Core-Contents (see Section 6)

Accidental damage cover should be added to the **Buildings** and/or Core-contents sections if **you** want **us** to be able to help in the event that damage is caused accidentally in addition to the causes described in sections 3 and 5.

Accidental damage cover can only be selected if your policy includes the associated **Buildings** or Core-contents option.

Personal Items (see Section 7)

From **your** glasses, jewellery and watch to cash and travel tickets, make sure **you** have enough cover for all **your** personal items, whether **you** are at home or out and about. This option can only be selected if you have already chosen the Core-contents cover.

Technology and Entertainment (see Section 8)

If **you** have got electrical items like TVs, cameras and computers, make sure they are covered against **accidental damage** and loss, both inside and outside **your** home.

This option can only be selected if you have already chosen the Core-contents cover.

Garden (see Section 9)

Protect **your** plants, **garden** furniture, lawns and tools. **We** will even re-landscape **your garden** should emergency services ever damage it.

This option can only be selected if you have already chosen the Core-contents cover.

Pedal Cycles (see Section 10)

Make sure **you** have enough cover for **your** pedal cycles whether they are at home or out and about.

This option can only be selected if you have already chosen the Core-contents cover.

Home Emergency (see Section 11)

This option is designed to provide **you** with assistance in a variety of home emergency circumstances such as a burst pipe, a blocked drain or the failure of **your** heating system.

Legal Expenses (see Section 12)

Select this option if **you** would like protection from the costs of litigation arising from a number of different scenarios. With this option **you** also get access to plenty of useful legal advice and guidance for dealing with personal legal issues.

The Policy documents

This policy is a legal contract between **you** and **us**. The policy is in two parts – the policy wording in this policy booklet and the policy schedule.

The policy wording explains what is and what is not covered within each of the sections, how claims are settled and other important information. The policy schedule shows which options of the policy have been selected by **you**, the limit of **our** liability (see 'What are the limits of **our** liability' on page 9) and the premium payable by **you**. **We** suggest that **you** keep the policy schedule and the policy wording together for reference.

Some words and phrases used in this policy have a special meaning which for clarity, are defined in this policy booklet. Whenever a word with a special meaning is used in the policy it will be printed in bold type.

There are conditions of the insurance that **you** and/or **your family** will need to meet as part of this contract and these are described in this policy booklet. Please take the opportunity to read the policy conditions.

A new policy schedule will be sent to **you** each year before renewal so **you** can check that the cover still meets **your** needs. **We** recommend that **you** review whether **you** have the right amount of cover at least annually. A new schedule will be sent to **you** whenever a change is made to the insurance.

Please contact **us** using the contact details on page 1 of this policy booklet if **you** would like any help with this.

Customers with disabilities: This policy booklet and other associated documents are also available in large print, audio and Braille. If **you** require any of these formats, in the first instance, use the contact details at the front of this policy booklet.

The Insurance Contract

The policy documents described above form **your** contract with the Insurer(s) named on **your** policy schedule ('us'). A separate agreement exists between **you** and the insurance administrator, Select & Protect, in connection with the policy administration services that they provide to **you** and the associated **policy administration fee** is shown on **your** policy schedule, separate to the **insurance premium**.

For convenience, the **insurance premium** and the **policy administration fee** will together make up the single annual payment shown on **your** policy schedule. If **you** choose to pay this on a monthly basis through a premium finance arrangement, **your** contract with the provider of the premium finance will be separate to the contract described here, although **we** reserve the right to terminate the policy in the event that there is a default in instalment payments due under any supporting loan agreement.

Our part of the contract is that **we** will provide the cover set out in this policy wording:

- for those options which are shown on the policy schedule;
- during the **insurance period** set out on the policy schedule.

Your part of the contract is that **you** must:

- pay the **insurance premium** as shown on the policy schedule for each **insurance period**;
- comply with all the conditions set out in this policy.
- take reasonable care to provide complete and accurate answers to the questions **we** ask when **you** take out and when **you** make changes to **your** policy. If the information provided by **you** is not complete and accurate, there are a number of possible consequences. For example **we** may cancel **your** policy and refuse to pay any claim, or not pay any claim in full, or revise the **insurance premium** and/or **excess** (the first part of any claim that **you** must pay), or the extent of the cover may be affected.
- advise **us** of changes that may arise throughout the period of cover (see “Information and Changes **we** need to know about” on page 63). When **we** are notified of a change, **you** will be told if this affects **your** policy, for example whether **we** are able to accept the change and if so, whether the change will result in revised terms and/or **insurance premium** being applied to **your** policy.

If **your** part of the contract is not met, **we** may turn down a claim or increase the premium, or **you** may find that **you** do not have any cover. If **you** are in any doubt, please ask, using the contact details on page 1 of this policy booklet.

For **your** protection, each of the insurers underwriting this policy are covered by the Financial Services Compensation Scheme (FSCS). **You** may be entitled to compensation from this scheme if the insurers cannot meet their obligations, depending on the circumstances of **your** claim. Further information about the scheme is available from the FSCS website www.fscs.org.uk, or write to Financial Services Compensation Scheme, 10th Floor, Beaufort House, 15 St. Botolph Street, London, EC3A 7QU.

Under the laws of the United Kingdom (England, Scotland, Wales and Northern Ireland) both **you** and **we** may choose the law which applies to this contract, to the extent permitted by those laws. **We** and **you** have agreed that any legal proceedings between **you** and **us** in connection with this contract will only take place in the courts of the part of the United Kingdom in which **you** live, or, if **you** live in either the Channel Islands or the Isle of Man, the courts of whichever of those two places in which **you** live. This policy has been issued in the United Kingdom.

Changing your mind

Once **you** receive the policy schedule (or once cover under this policy has started, if this is later), **you** have 14 days to make sure the cover is exactly what **you** need. If it isn't, or if **you** have any queries, please contact **us** as **we** will be happy to explain and/or to make changes to meet **your** needs. Alternatively, **you**

have the statutory right to ask for the policy to be cancelled and **you** will receive a full refund of premium as long as no claim has been made.

If **you** do not exercise **your** right to cancel **your** policy, it will continue in force until the renewal date and **you** will be required to pay the premium as stated. **We** will write to **you** at least 21 days before each renewal date to advise **you** if **we** are able to continue cover for a further year.

See 'Cancelling the Policy' on page 65 for information on how to cancel the policy after this 14 day period has expired.

What are your responsibilities?

The policy does not cover wear and tear, repairs and work necessary to maintain the home or contents in a good condition, or damage through causes that operate gradually. **You** will need to be reasonably vigilant and maintain **your** property in a good state of repair. For example, the policy does not provide cover for damage caused by the lack of, or the poor condition of, appropriate grout and/or sealant around a bath, sink or shower fitting.

You must take reasonable care to avoid the need to claim and the policy does not cover damage or loss due to a lack of reasonable care on **your** part. For example, the policy does not normally provide cover for damage caused by water overflowing from a sink or bath due to taps being left on, unattended.

Claims should be made promptly after **you** become aware of damage or loss (or in the event of a potential claim under Section 11, Legal Expenses, where this option has been selected by **you**, promptly after becoming aware of **your** need for legal assistance).

Where **you** have selected one or more of the sections listed below, **you** will need to make sure that the amounts insured, as shown on the policy schedule for each of those sections, are adequate and are kept up to date as changes to **your** property occur. For example, if the Personal Items option is chosen, remember to consider whether the sums insured needs to be increased when **you** buy a new watch or an item of jewellery.

The limits of **our** liability under this policy are not 'index linked'.

The sections under which **you** are responsible for ensuring the sums insured are adequate are:

- Section 3 - Buildings option and Section 4 - Buildings **Accidental Damage** option
- Section 5 - Core-contents option and Section 6 - Core-contents **Accidental Damage** option
- Section 7 - Personal Items option
- Section 8 - Technology & Entertainment option
- Section 9 - **Garden** option
- Section 10 - Pedal Cycles option

Important: **You** do not have to select cover under any option within this policy (other than either of Section 3 Buildings or Section 5 Core-contents, but **you** must cover the full replacement value, as new, of all items protected under the options that **you** select.

You should also be aware of any single article limits within each section that **you** have selected and the limits applying to unspecified items under Section 5 (Core-contents), Section 7 (Personal Items) and Section 10 (Pedal Cycles). These policy limits are summarised in Section 16.

In the event of a claim, it is **your** responsibility to demonstrate that loss or damage has occurred and the extent of that loss, although this does not apply to the Home Emergency and Legal Expenses options (Sections 11 and 12). **You** should keep items such as receipts, valuations, photographs, instruction booklets and guarantee cards which may help with **your** claim. **We** recommend that **you** keep them in a safe place and/or make a digital/soft copy.

Not meeting these responsibilities could affect the outcome of any claim that **you** make.

What are the limits of our liability?

On **your** policy schedule, **you** will see the limits of **our** liability for each option that **you** have selected. This is the most that **we** will pay in the event of a claim under that option.

It is important that **you** check that this is adequate to replace all of **your** property which is covered by that section of the policy. For example, if **you** select the Technology and Entertainment option, **you** should add up the cost of replacing all of the items that are covered under that section and ensure **you** have selected a limit of liability that would allow all of these to be replaced, as new, in the event of a complete loss; for example if the worst were to happen and there was a major fire at **your** home.

Having an inadequate limit of liability (being 'under-insured') could affect any settlement that **you** receive in the event of a claim. This applies at the start and throughout the period of cover, so **we** recommend that **you** review this at least annually.

How to check if an item is covered on your policy?

Sections 3-10:

- i) Look at the index of items (Section 18 Index of Items, from page 82) which will tell **you** which option applies.
- ii) Check **your** policy schedule to see if **you** have selected the relevant option.
- iii) Look at the cover options in the policy booklet - the left column tells **you** what is included. The right column tells **you** what is not included.
- iv) Finally, check any limits that might apply (in the relevant cover in that option or in the summary in Section 16 Policy Limits, from page 78).

Section 11 - Home Emergency:

- i) Check **your** policy schedule to see if **you** have selected this option.
- ii) Consider whether the circumstance is a 'home emergency' as described in this section
- iii) Consider whether the emergency arises as a result of one of the 'insured incidents' described in this section

Section 12 - Legal Expenses

- i) Check **your** policy schedule to see if **you** have selected this option.
- ii) Read the text following the heading "Help with **your** legal problems"

How to check if you can make a claim?

Section 3-10:

Follow steps shown above to see if your policy provides cover, then:

- a) Determine what caused the loss or damage.
- b) Look in the relevant section(s) of the policy to see what is and is not covered.
- c) Read the policy conditions and exclusions (from page 61), and the claims conditions (page 66).
- d) Finally, read 'How to make a claim' (from page 67),

Section 11 - Home Emergency:

Follow the steps (i) to (iii) of the Home Emergency section above, remembering that this section of the policy covers **you** against sudden, unexpected emergencies to **your** home which require immediate corrective action to prevent damage or further damage to **your** home, to make **your** home safe or secure or to relieve unreasonable discomfort, risk or difficulty to **you** and **your family**.

Please note that if the service **you** need is not provided under the terms of this policy, **we** will try (if **you** wish) to arrange the service at **your** expense.

Section 12 - Legal Expenses:

Follow the steps (i) and (ii) of the Legal Expenses section above. If **you** have a personal legal problem, please telephone the helpline and speak to one of **our** legal teams (contact details can be found on page 1). They will ask **you** about **your** legal issue and if necessary, call **you** back to give **you** legal advice.

Often, taking advice early can avoid or prevent the dispute from escalating as **we** will try to help **you** to avoid the need for litigation and a claim on the policy.

Remember that **you** are able to seek legal advice on matters that are not covered by the policy, such as family law.

Section 3: Buildings Option

This section sets out the cover provided for **Buildings** where it is shown on the policy schedule that this option has been selected by **you**.

(a) On receiving a claim, if legal representation is necessary, **we** will appoint a preferred law firm or in-house lawyer as **your** appointed representative to deal with **your** claim. They will try to settle **your** claim by negotiation without having to go to court.

(b) If the appointed preferred law firm or **our** in-house lawyer cannot negotiate settlement of **your** claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then **you** may choose a law firm to act as the appointed representative.

(c) If **you** choose a law firm as **your** appointed representative who is not a preferred law firm, **we** will give **your** choice of law firm the opportunity to act on the same terms as a preferred law firm. However, if they refuse to act on this basis, the most

we will pay is the amount **we** would have paid if they had agreed to the DAS Standard Terms of Appointment.

(d) The appointed representative must co-operate with **us** at all times and must keep **us** up to date with the progress of the claim.

2. Your responsibilities

(a) **You** must co-operate fully with **us** and the appointed representative.

(b) **You** must give the appointed representative any instructions that **we** ask **you** to.

(c) **We** may decide to pay **you** the reasonable value of **your** claim, instead of starting or continuing legal action. In these circumstances **you** must allow **us** to take over and pursue or settle any claim in **your** name. **You** must also allow **us** to pursue at **our** own expense and for **our** own benefit, any claim for compensation against any other person and **you** must give **us** all the information and help **we** need to do so.

(d) Where a settlement is made on a without-costs basis **we** will decide what proportion of that settlement will be regarded as costs and expenses and payable to **us**.

4. Assessing and recovering costs

(a) **You** must instruct the appointed representative to have legal costs taxed, assessed or audited if **we** ask for this.

(b) **You** must take every step to recover costs and expenses and court attendance and jury service expenses that **we** have to pay and must pay **us** any amounts that are recovered.

5. Cancelling an appointed representative's appointment

If the appointed representative refuses to continue acting for **you** with good reason, or if **you** dismiss the appointed representative without good reason, the cover **we** provide will end immediately, unless **we** agree to appoint another appointed representative.

If **you** settle or withdraw a claim without **our** agreement, or do not give suitable instructions to the appointed representative, **we** can withdraw cover under this section 12 and will be entitled to reclaim from **you** any costs and expenses **we** have paid.

7. Expert opinion

We may require **you** to get, at **your** own expense, an opinion from an expert, that **we** consider appropriate, on the merits of the claim or proceedings, or on a legal principle. The expert must be approved in advance by **us** and the cost agreed in writing between **you** and **us**. Subject to this **we** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that **you** will recover damages (or obtain any other legal remedy that **we** have agreed to) or make a successful defence.

8. Arbitration

If there is a disagreement between **you** and **us** about the handling of a claim and it is not resolved through **our** internal complaints procedure, **you** can contact the

Financial Ombudsman Service for help. Alternatively, there is a separate arbitration process. The arbitrator will be a barrister chosen jointly by **you** and **us**. If there is a disagreement over the choice of arbitrator, **we** will ask the Chartered Institute of Arbitrators to decide.

Cancelling the policy

Your policy has a normal **insurance period** of 12 months and **your** legal contract with **us** is for this period.

If **you** wish to cancel the policy within 14 days of receiving the policy schedule (or within 14 days of cover starting under this policy if this is later), please see 'Changing **your** mind' on page 7.

If **you** wish to cancel **your** policy after the initial 14 day period, please email, call or write to **us** using the details shown at the front of this policy booklet. Provided that **you** have not made a claim in the current **insurance period**, **we** will refund the premium that **you** have paid for the unexpired time remaining of the current **insurance period**.

We can cancel (or change the terms and conditions) of this policy by giving **you** at least 14 days' notice at **your** last known address. This will not affect **your** right to make a claim for any event that happened before the date of cancellation or change in terms and conditions. If **we** cancel the policy **we** will refund the premium that **you** have paid for the remainder unexpired time remaining of the current **insurance period**. In the case of fraud or if a claim has been made no refund will be provided, please check the fraud paragraph above for further information.

You may have asked and **we** may have agreed for **your** annual premium and **policy administration fee** to be funded by making monthly payments under a Credit Agreement, governed by the Consumer Credit Act 1974. **Your** insurance contract and any supporting loan agreement are separate (see 'The Insurance Contract' on page 6). In the event that the supporting loan agreement is terminated for any reason, **we** will cancel the insurance policy if **you** have not contacted **us** and paid the full outstanding annual cost of **your** policy to **us** within 7 days. If **you** are paying **your** annual premium and **policy administration fee** by monthly payments under a Credit Agreement, governed by the Consumer Credit Act 1974, **your** insurance contract and any supporting loan agreement are separate (see 'The Insurance Contract' on page 6).

In the event that the supporting loan agreement is terminated by **you** and if **you** have not paid the full amount that is owed under the loan agreement **we** will be instructed by **Select & Protect** to cancel **your** policy. The policy termination date will be stated in the final request for payment letter that **Select & Protect** send to **you**. Any premium refund that may be due from **us** for the unexpired period of insurance following the termination of **your** policy will be used by **Select & Protect** to clear the loan arrears (and any associated cancellation default fees that may apply) either in full or in part. The **policy administration fee** which is not refundable when a policy is cancelled after the first 14 days will also be deducted.

With the exception of cancellation within the initial 14 day period, the policy **administration fee** is not refundable.

Financial Sanctions

We will not provide any cover or be liable to provide any indemnity, payment or other benefit under this policy where doing so would breach any prohibition or restriction imposed by law or regulation. If any such prohibition or restriction takes effect during the **insurance period** **we** may cancel this policy immediately by giving **you** written notice at **your** last known address. If **we** cancel the policy **we** will refund premiums already paid for the remainder of the current **insurance period**, provided no claims have been paid or are outstanding.

Claims Conditions

These are the claims conditions **you** and **your family** will need to keep to as **your** part of this contract. If **you** do not, a claim may be rejected or payment could be reduced. In some circumstances **your** policy might be invalid.

If anything happens which might lead to a claim, what **you** must do depends on what has happened. The sooner **you** tell **us** the better. In some cases, there are other people **you** must contact first, such as the police or other emergency services.

When an incident occurs, which may result in a claim, **you** must also read the information on 'How to make a claim' on page 67 below.

You should also check the information on 'How we settle claims' for each option of **your** policy which covers the loss or damage, e.g. Core-contents or **Buildings** (from page 68).

Rights and responsibilities

We may need to get into a building that has been damaged to salvage anything **we** can and to make sure no more damage happens. **You** must help **us** to do this but **you** must not abandon **your** property to **us**.

You must not settle, reject, negotiate or offer to pay any claim **you** have made or intend to make under this policy without **our** written permission. **We** have the right, if **we** choose, in **your** name but at **our** expense to:

- take over the defence or settlement of any claim;
- start legal action to get compensation from anyone else;
- start legal action to get back from anyone else any payments that have already been made.

You must provide **us**, at **your** own expense, with any information and assistance **we** may reasonably require about any claim. **We** may ask **you** to help **us** with legal action against anyone or help **us** defend any legal action.

When **you** call **us**, at **our** option **we** will:

- ask **you** to get estimates for building repairs or replacement items; or
- arrange for the damage to be inspected by one of **our** Claims Advisors, an independent loss adjuster or other expert – their aim is to help **us** agree a fair settlement with **you**; or
- arrange for the repair or a replacement as quickly as possible.

Other insurance

If **you** claim under this policy for something which is also covered by another insurance policy, **you** must provide **us** with full details of the other insurance policy. **We** will only pay **our** share of any claim

How to make a claim

The following relates to **Home Insurance Claims** under **Sections 3 to 10** inclusive.

-If you wish to notify a buildings, contents and personal items claim please call us on **0345 218 0221**. Lines are open 24 hours a day, 365 days a year.

-If you wish to notify a claim made against you, please call us on **0345 040 0465**. Lines are open between 9am-5pm, Monday to Friday (an answering service is available at all other times).

- For claims regarding **Home Emergencies** (Section 11), see pages 10, 46 and 49.
- For claims regarding **Legal Expenses** (Section 12), see pages 10 and 53.

Please have the policy number or postcode handy when **you** call.

Telephone calls may be recorded and/or monitored.

When an incident happens, **you** should take any immediate action **you** think is necessary to protect **your** property and belongings from further damage, such as switching off the gas, electricity or water.

If **you** or **your family** are the victim of theft, riot, a malicious act or vandalism, or if **you** or **your family** lose something away from the home, tell the police immediately upon discovery and ask for a crime reference number and tell **us** as soon as **you** can, or in the case of riot tell **us** immediately.

If someone is holding any of **your family** responsible for an injury or any damage, no one in **your family** must admit responsibility. Give **us** full details in writing as soon as **You** can and any claim form, application notice, legal document or other correspondence sent to **your family** must be sent to **us** straightaway without being answered.

For all other claims, tell **us** as soon as **you** can.

You should do all **we** reasonably ask **you** to do to get back any lost or stolen property.

Do not throw away any damaged items before **we** have had a chance to see them, or carry out any non-emergency repairs before **we** have had a chance to inspect the damage.

Please see the 'Policy Conditions and Exclusions' from page 61, the 'Claims Conditions' from page 66 and 'How we settle claims' below for further information about making a claim. Where a liability claim may arise, **you** should neither admit nor deny responsibility for an incident

While most claims can be agreed over the phone, there may be times when **we** will ask **you** to complete a claim form and provide **us** with further information.

Claims conditions require **you** to provide **us** with any reasonable assistance and evidence that maybe required concerning the cause and value of any claim.

Ideally, as part of the initial notification, **we** will need to know:

- **Your** name, address, home and mobile telephone numbers
- Personal details necessary to confirm **your** identity
- Policy number
- The date of the incident

- The cause of the loss or damage
- Details of the loss or damage together with claim value if known
- Police details where applicable
- Names and addresses of any other parties involved or responsible for the incident (including details of any injuries) and addresses of any witnesses, where applicable.

This information will enable **us** to make an initial evaluation on policy cover and claim value. **We** may also ask for additional information depending upon the circumstances and value of **your** claim which may include the following:

- Original purchase receipts, invoices, instruction booklets, photographs or other means of validating the claim
- Purchase dates of lost or damaged property
- For damaged property, confirmation from a suitably qualified expert of the extent of damage to an item **you** are claiming.

Sometimes **we** may wish to meet with **you** to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

How we settle claims (sections 3 to 10)

Matching items

We will not pay for:

- any loss of value to undamaged items in a matching set as a result of another item in the set being lost or damaged;
- replacing or changing undamaged items which belong to a set or suite or which have a common design or use when the damage is restricted to a specific part or clearly defined area. For example each separate item of a matching set of sanitary fittings, carpets, fitted kitchen units, matching sofas and chairs or other fixtures and fittings is regarded as a single item.

We will only pay for lost or damaged items and not for the cost of replacing, recovering or remodelling undamaged pieces, or pieces which have not been lost or damaged.

Where **you** have to pay an **excess** this will be taken off the amount of **your** claim. Where **you** make a claim under more than one section within this policy arising from a single incident, a single **excess** will apply. The amount of this **excess** will be the highest of the **excess** amounts applicable to the policy sections under which the claim is paid.

Where a policy limit applies, and **your** claim under that section exceeds this limit (such as the £1,000 limit for visitors' personal belongings within the Core-contents option), the **excess** will be applied first, followed by the limit.

How we settle claims for Buildings (sections 3 and 4)

We will pay for the cost of work carried out in repairing or replacing the damaged parts of the **Buildings**, together with the agreed fees and related costs, up to the market cost of such repairs and fees. At **our** option **we** may arrange for specialist

investigations to be carried out.

If the repair or replacement is not carried out **we** will pay the decrease in market value of the **Buildings** due to the damage or at **our** option **we** will make a cash settlement but **we** will not pay more than it would have cost **us** to repair the damage to the **Buildings** if the repair work had been carried out without delay. No allowance will be made for VAT when a cash settlement is made.

Repairs carried out by **our** preferred suppliers and insured under the **Buildings** option or the **Buildings Accidental Damage** option of this policy are guaranteed for 12 months in respect of quality of workmanship.

If the **Buildings** have not been kept in a good state of repair or if the limit of liability at the time of the loss or damage is less than the cost of rebuilding all the **Buildings** in the same way, size, style and appearance as when they were new, including fees and related costs, **we** will pay the cost of repairing or replacing the damaged parts of the **Buildings** and **we** will, where appropriate, take off an amount for wear and tear.

The most **we** will pay for any one claim, including fees and related costs, is the amount it will cost **us** to repair the damage to the **Buildings** in the same way, size, style and appearance as when they were new, but not more than the limit of liability shown on the policy schedule or the limits in this policy wording.

How we settle claims for core-contents, personal items, technology & entertainment equipment, pedal cycles and garden items.

If an item has been damaged and it can be economically repaired **we** will either arrange or authorise repair and **we** will pay the cost of repair. Otherwise, **we** will replace the item with a new one of similar quality through **our** preferred suppliers, or at **our** option, **we** will pay the replacement cost of a new item of similar quality. A deduction for wear and tear will be made in respect of clothing and household linen.

If **we** agree at **your** request not to repair or replace an item, at **our** option **we** will make a cash or voucher settlement no greater than the cost **we** would have paid for replacement or repair through **our** preferred suppliers.

We will not pay for any loss of value to any item which **we** have repaired or replaced.

The most **we** will pay for any one claim is the amount it will cost **us** to replace **your** items insured under the options **you** have selected as new but not more than the limit of liability or any limits shown on the policy schedule or in this policy wording.

If loss or damage happens and the limit of liability on the policy schedule is less than the cost of replacing **your** items as new **we** will, where appropriate, take off an amount for wear and tear from the cost of the new item unless the item can be economically repaired when only the cost of the repair will be paid.

Under insurance

On **your** policy schedule, **you** will see the limits of **our** liability for each option that **you** have selected - this is the most that **we** will pay in the event of a claim under that option.

Having an inadequate limit of liability (being 'under-insured') could affect any settlement that **you** receive in the event of a claim. This applies at the start and throughout the period of cover, so **we** recommend that **you** review this at least annually.

Buildings

- Needs to be sufficient to allow for the full cost of rebuilding the **Buildings** in a new condition similar in size, form and style, including the professional fees and additional costs as set in **your Buildings** cover – Section 3 cover 11. If **your** buildings are underinsured at the time of a loss **we** may choose to reduce **your** claim in direct proportion to the amount of underinsurance, or refuse to pay **your** claim and/or cancel the policy.

Contents (including all options available to be chosen by you with Core-contents)

- If at the time of the loss or damage the limit for contents shown on **your** schedule is not adequate to replace all the contents as new, **we** may choose to reduce **your** claim in direct proportion to the amount of underinsurance, refuse to pay **your** claim and/or cancel the policy.

No claim discount

If no incident occurs during the **insurance period** which results in a claim under the **Buildings**, Core-contents, Personal Items, Technology & Entertainment, Pedal Cycle or **Garden** options a no claims discount will be applied to the premium or **your** existing no claim discount will increase, in line with **our** scale at the renewal of the policy.

For each incident that occurs during the **insurance period** which results in a claim under the **Buildings**, Core-contents, Personal Items, Technology & Entertainment, Pedal Cycle or **Garden** options, **your** no claim discount may reduce or be removed in line with **our** scale at the renewal of the policy. **You** cannot transfer **your** No claim discount to anyone else.

Language and communication

All communication relating to this policy will be in English

We do not disclose your information to anyone outside Hood Group Limited except where we have your express permission; or where we are required or permitted to do so by law; or fraud prevention agencies and other companies that provide a service to us.

These include our group companies, brokers, agents, third party administrators, underwriters, reinsurers, other insurance intermediaries, insurance reference bureaus, credit agencies, medical service providers, fraud detection agencies, loss adjusters, external law firms, external accountants and auditors, regulatory authorities, and as may be required by law.

Your insurer may share your personal information:

- With regulatory bodies and law enforcement bodies, including the policy, e.g. if they are required to do so to comply with a relevant legal or regulatory obligation,
- With other organisations including insurers, public bodies and the police (either directly or using shared databases) for fraud prevention and detection purposes.
- With reinsurers who provide reinsurance services to your insurer and for each other in respect of risks underwritten by your insurer, with insurers who cover your insurer under their group insurance policies and with brokers who arrange and manage such reinsurance and insurance arrangements. They will use your data to

decide whether to provide reinsurance and insurance cover, arrange and manage such cover, assess and deal with reinsurance and insurance claims under such cover and to meet legal obligations. They will keep your data for the period necessary for these purposes and may need to disclose it to other companies within their group, their agents and third-party service providers, law enforcement and regulatory bodies.

All personal data is treated with the utmost confidentiality and with appropriate levels of security. Credit Reference Agency

Your data will be provided to LexisNexis Risk Solutions to carry out a credit check with a credit reference agency in order to provide you with a tailored quote suited to your needs. This will leave a soft footprint on your credit file, which only you can see and so will not have a negative effect on your credit score. The search will be made using full electoral roll, public information and previous search records and a record of the search will be retained by the credit reference agency. The search will be recorded on your credit report in the name of LexisNexis Risk Solutions.

Fraud Prevention Agencies

If we identify or suspect fraud as a result of false or inaccurate information you have provided, details may be passed to fraud prevention agencies. Law enforcement agencies may access and use this information.

We and other organisations may also access and use this information to prevent fraud and money laundering, for example when checking details on applications for credit and credit related or other facilities; checking details on proposals and claims for all types of insurance; checking details of job applicants and employees.

Claims History

Insurers pass information to the Claims and Underwriting Exchange Register (CUE) managed by LexisNexis Risk Solutions. Under the conditions of your policy, you may be required to tell us about any incident (e.g. accident, fire, theft or malicious damage) which may or may not give rise to a claim. When you tell us about an incident, we will pass information relating to it to the registers.

Automated Decision Making

We may use automated decision making, including profiling, to assess insurance risks, detect fraud, and administer your policy. This helps us to decide whether to offer the insurance and determine prices.

An example is when you buy a Home insurance product, we may accept or reject a potential policyholder for cover based on their age. We do not offer insurance for customers above a certain age in the UK. If accepted, the automated calculation of a person’s age may be used to calculate the premium payable.

After the automatic decision has been made, you have the right to speak to someone who may review the decision and provide a more detailed explanation. If you wish to invoke this right or you have any concerns regarding the decision reached, please let us know at the contact details set out below and we will arrange for a person to check the accuracy of the result.

Your Rights

You have the right to ask us not to process your personal data for marketing purposes at any time, to request a copy of the personal data we hold about you, to have your personal data deleted (subject to certain exemptions), to have any inaccurate or misleading data corrected or deleted, to challenge any automated decision making (under certain circumstances) or to ask us to provide a copy of your data to any controller. You also have the right to make a complaint with the Information Commissioners Office. These rights apply whether we hold your personal data on paper or in electronic format.
